Seminar Room

At 28 square meters, the Seminar Room is perfect for boardroom style events, training sessions and workshops and can be laid out in a variety of ways to suit your needs.

Rental Period	Rate
Half day	£80
Full day	£150

Both spaces feature large 75" Smart screens, complete with touch screen capability that you can connect your own laptop to, and access to top of the range video conferencing equipment.

Technology

Cotie has some of the latest equipment to help your business innovate. This technology can be hired out at competitive rates.

Matterport Pro 3 LiDAR Camera

Using the latest 3D photography and LiDAR technology, our Matterport scanner can create a high-resolution digital twin.

We can create 3D scans of hotels, rooms, tourist attractions and factories which you can put in the virtual world and view in our 360 degree headsets.

Insta 360 x4 Camera

The latest in 360 degree filming equipment. It can:

- Capture 360 degree angles in up to 8K resolution!
- Can be used as a standalone device.
- Has a full suite of accessories to allow for all useage cases.

HTC Vive Elite XR

We have the very latest in extended reality headsets thanks to the Vive Elite XR. Designed for business use in mind, we have access to a full array of software we can demo.

Meta Quest 3

We also have the latest Meta Quest 3 headsets at Cotie. These state of the art headsets allow you to:

- Experience XR though our game 'First Encounters'.
- Participate in our Bodyswaps VR training modules.

Formlabs Form 3 3D Printer

Create rapid prototypes in our Innovation Lab using the latest in 3D Printing Technology, the Formlabs Form 3 3D Printer.

Dell Alienware Aurora R13 Gaming Desktop

We have 2 Dell Alienware PC's which can be fully loaded with a suite of software packages, depending on your needs.

Catering

If you are hosting a small meeting, or a large conference, we can also provide the catering.
